ONE DAY of Extravagant
Love, Service, and
Goodwill for our Community

The 2018 "I Heart Treasure Valley" event is a one-day, non-profit, multi-faith and local business sponsored City Outreach event on Saturday, April 21. It will include two elements: service projects & a community-wide evening celebration event.

Join the 2018 Scavenger Hunt!

A team of you and 9 friends complete a list of provided service projects before the clock runs out...winning teams will win a party at Urban Air Trampoline Park (sponsored by Rockstar Energy Drink and Project 88.7), and gain early admission to the *I Heart* celebration concert that night, plus backstage passes to meet Colton Dixon!

Each team provides their own driver and videographer to record their activities and post onto our Snapchat story for our judges to view. Go to our website to sign up!
